² WF&G has agreed to provide a 5% discount on all fees incurred in these Title III Cases, and the difference between this figure and the total compensation incurred reflects this discount.

This is an *interim* application.

B. WF&G's Retention by the COFINA Agent

13. On August 10, 2017, the Court entered the Commonwealth-COFINA Stipulation, which appointed Bettina M. Whyte as the COFINA Agent and appointed WF&G as her counsel. The Commonwealth-COFINA Stipulation also authorized COFINA to compensate WF&G in accordance with WF&G's normal hourly rates and reimburse WF&G for the firm's actual and necessary out-of-pocket expenses incurred, subject to application to this Court as set forth herein. As set forth more fully below, pursuant to the Interim Compensation Order, WF&G has filed four monthly fee statements during the Application Period and as of the date hereof, WF&G (i) has only been paid for approximately 65% of the fees and 100% of the expenses requested by the February Fee Statement, and (ii) has not received any payments for its March, April or May Fee Statements, despite payment being due and owing pursuant to the terms of the Interim Compensation Order.

**SUMMARY OF PROFESSIONAL COMPENSATION
AND REIMBURSEMENT OF EXPENSES REQUESTED**

14. By this Application and pursuant to sections 316 and 317 of PROMESA, sections 105(a) and 503(b) of the Bankruptcy Code, Rule 2016(a) of the Bankruptcy Rules and Rule 2016-1 of the Local Rules, WF&G requests that this Court authorize interim allowance of compensation for professional services rendered and reimbursement of expenses incurred during the Application Period in the amount of \$5,591,491.69 (the "**Application Amount**"), which includes (a) compensation of \$4,634,348.89 in fees for services rendered to the COFINA Agent and (b) reimbursement of \$957,142.80 in actual and necessary expenses in connection with these services. As of the date hereof, WF&G has only been paid \$1,090,170.31 of the Application Amount. The outstanding amounts owed include: (i) approximately 35% of WF&G's fees (which includes those fees that have been "held back") for the period of February 1, 2018

through February 28, 2018; (ii) 100% of WF&G's fees and 100% of WF&G's expenses for the period of March 1, 2018 through March 31, 2018; (iii) 100% of WF&G's fees and 100% of WF&G's expenses for the period of April 1, 2018 through April 30, 2018; and (iv) 100% of WF&G's fees and 100% of WF&G's expenses for the period of May 1, 2018 through May 31, 2018 (any amounts that remain unpaid as of the date of an order approving this Application, the "**Holdback**"). WF&G has made repeated requests for payment of the amounts that are due on account of the March, April and May Fee Statements pursuant to the provisions of the Interim Compensation Order, but to date no payments have been made, even though certain of these payments are months past due the deadlines set by the Interim Compensation Order.⁷

PRIOR INTERIM AWARDS AND REQUESTS

15. With respect to its first interim fee application, WF&G agreed to the recommendations made by the fee examiner, and according to this consensual resolution, WF&G was awarded \$4,194,558.56 in fees and expenses by this Court pursuant to the First Interim Compensation Order.

16. With respect to its second interim fee application, WF&G agreed to the recommendations made by the fee examiner, and according to this consensual resolution, WF&G was awarded \$4,311,204.12 in fees and expenses by this Court pursuant to the Second Interim Compensation Order. The Second Interim Compensation Order also approved \$295,867.51 in fees and expenses that were deferred for further review by the First Interim Compensation Order. To date, WF&G has not been paid the amounts awarded pursuant to the Second Interim Compensation Order that were not previously paid pursuant to the Interim Compensation Order (totaling \$206,047.88).

⁷ WF&G hereby reserves all rights with respect to these nonpayments of fees and expenses.

WF&G'S FEES AND EXPENSES FOR THE APPLICATION PERIOD

17. WF&G's services in these cases have materially advanced the Commonwealth-COFINA Dispute. Throughout the Application Period, the variety and complexity of the issues involved and the need to address those issues on an expedited basis required WF&G, in the discharge of its professional responsibilities, to devote substantial time by professionals from several legal disciplines on a daily basis.

18. Specifically, WF&G's requested compensation reflects the requisite time, skill and effort WF&G expended during the Application Period towards, inter alia: (a) continuing to advance the Commonwealth-COFINA Dispute to a resolution on a dual track of litigation and mediation, including researching, filing and responding to the Summary Judgement Briefs, the Certification Motion, and various other pleadings relating to the Commonwealth-COFINA Dispute; (b) participating in oral arguments relating to the Summary Judgment Briefs and the Certification Motion; (c) pursuing additional discovery and related depositions, negotiating with parties over production schedules and reviewing discovery received in response to certain requests; (d) working with the COFINA Agent's experts to prepare their expert reports and related matters; and (e) in the mediation, researching and preparing various materials setting forth the COFINA Agent's positions as requested by the mediators, and participating in various mediation sessions, which efforts ultimately led to a the announcement of an agreement in principle between the COFINA Agent and the Commonwealth Agent to resolve the Commonwealth-COFINA Dispute.

MONTHLY FEE STATEMENTS

19. The Interim Compensation Order provides, among other things, that professionals are required to serve monthly itemized billing statements (the "**Monthly Fee Statements**") on counsel to the Oversight Board, counsel to AAFAF, the U.S. Trustee, counsel

to the Official Committee of Unsecured Creditors, counsel to the Official Committee of Retired Employees and the Fee Examiner (collectively, the “**Notice Parties**”). Upon passage of the objection period, if no objections are received, the Debtors are authorized to pay 90% of the fees and 100% of the expenses requested. In addition to the Interim Compensation Order authorizing payment, the COFINA Agent received further confirmation of the Debtors’ obligation to pay pursuant to the *Order Approving COFINA Agent’s Motion Pursuant to 48 U.S.C. § 2161 and 11 U.S.C. § 105(a) for Order: (I) Confirming that 48 U.S.C. § 2125 Applies to COFINA Agent; (II) Confirming Retention of Local Counsel; and (III) Clarifying Payment of Fees and Expenses of COFINA Agent and her Professionals* [Dkt. No. 1612] (the “**COFINA Protections Order**”).

The COFINA Protections Order directs payment to the COFINA Agent’s professionals out of the collateral “purportedly pledged to COFINA bondholders because the services of the COFINA Agent (i) serve as adequate protection for the collateral and/or (ii) are “reasonable” and “necessary” to protect the collateral pursuant to section 506(c) of the Bankruptcy Code, the Agent/Professional Fees shall be paid pursuant to the Interim Compensation Order or any other order of the Court. . . .” COFINA Protections Order ¶ 5. The COFINA Protections Order further provides that if COFINA is unable to make payments to the COFINA Agent’s professionals for any reason, the Commonwealth must make such payments within fourteen days of receiving notice of COFINA’s nonpayment.

20. In compliance with the Interim Compensation Order, WF&G has submitted four (4) Monthly Fee Statements relating to the Application Period. Payment on account of these Monthly Fee Statements was requested as follows:

- (a) Pursuant to the Monthly Fee Statement for the period February 1, 2018 through February 28, 2018 (the “**February Fee Statement**”), WF&G requested payment of \$1,475,226.12, representing the total of (i) \$1,327,778.66,

which is 90% of the fees requested for services rendered during the period (i.e., \$1,475,309.62) plus (ii) \$147,447.46, representing 100% of the expenses incurred during the period.

- (b) Pursuant to the Monthly Fee Statement for the period March 1, 2018 through March 31, 2018 (the “**March Fee Statement**”), WF&G requested payment of \$1,814,388.00, representing the total of (i) \$1,365,544.09, which is 90% of the fees requested for services rendered during the period (i.e., \$1,516,160.10), plus (ii) \$448,843.91, representing 100% of the expenses incurred during the period.
- (c) Pursuant to the Monthly Fee Statement for the period April 1, 2018 through April 30, 2018 (the “**April Fee Statement**”), WF&G requested payment of \$1,213,181.32, representing the total of (i) \$1,076,589.92 which is 90% of the fees requested for services rendered during the period (i.e., \$1,196,211.02), plus (ii) \$136,591.40, representing 100% of the expenses incurred during the period.
- (d) Pursuant to the Monthly Fee Statement for the period May 1, 2018 through May 31, 2018 (the “**May Fee Statement**”), WF&G requested payment of \$626,261.37, representing the total of (i) \$402,001.34 which is 90% of the fees requested for services rendered during the period (i.e., \$446,668.15), plus (ii) \$224,260.03, representing 100% of the expenses incurred during the period.

21. WF&G did not receive any objections to its February, March, April or May Fee Statements. Despite all requirements set by the Interim Compensation Order being satisfied, WF&G has only received payment of \$1,090,170.31 in connection with its February Fee Statement (less than the 90% of fees required to be paid pursuant to the Interim Compensation Order), and WF&G has not received any payments for its March, April or May Fee Statements.

FEES AND EXPENSES INCURRED DURING APPLICATION PERIOD

22. Annexed hereto as Exhibit 1 is the Certification of Joseph G. Minias pursuant to the Local Rules (the “**Certification**”).

23. Annexed hereto as Exhibit 2 is a summary sheet listing each attorney and paraprofessional who has worked on these cases during the Application Period, his or her hourly billing rate during the Application Period, and the amount of WF&G’s fees attributable to each individual. Annexed hereto as Exhibits 2A-G are summary sheets listing each attorney and paraprofessional who has worked on these cases during the Application Period by matter.

24. WF&G also maintains records of all actual and necessary out-of-pocket expenses incurred in connection with the rendition of professional services. A schedule setting forth the categories of expenses and amounts for which reimbursement is requested for the Application Period is annexed hereto as Exhibit 3.

25. WF&G maintains written records of the time expended by attorneys and paraprofessionals carrying out professional services to the COFINA Agent. Such time records are made contemporaneously with the rendition of services by the person rendering such services. Annexed hereto as Exhibit 4 is a list of all of the matters for which services were rendered by WF&G during the Application Period and the aggregate amount of hours and fees expended for each of those matters. In addition, in accordance with the UST Guidelines, Exhibit 4 also includes the budgeted amount for each matter.

26. In accordance with the UST Guidelines, WF&G recorded its services rendered and disbursements incurred in different project matters that reasonably could have been expected to constitute a substantial portion of the fees sought during any given application period.

27. No agreement or understanding exists between WF&G and any other entity for the sharing of compensation to be received for services rendered in or in connection with these cases.

28. The fees charged by WF&G in these Title III Cases are billed in accordance with its existing billing rates and procedures. On January 1, 2018, WF&G raised its rates to match the standard rates charged by WF&G, in accordance with the terms of its engagement letter. WF&G typically raises its rates on October 1st of each year but pursuant to an agreement with the COFINA Agent, WF&G did not increase its rates for these Title III Cases until January 1, 2018.

29. The rates WF&G charged in these cases are consistent with the rates charged by WF&G to its non-bankruptcy clients, prior to the 5% discount that WF&G agreed to due to the exigencies of these cases. WF&G's standard hourly rates are similar to the customary compensation charged by comparably-skilled practitioners in comparable non-bankruptcy and bankruptcy cases in a competitive national legal market. Consistent with the UST Guidelines, Exhibit 5 discloses the blended hourly rate for all non-bankruptcy timekeepers in WF&G's New York office and the blended hourly rate for timekeepers who billed to the COFINA Agent during the Application Period.

SUMMARY OF SERVICES RENDERED

30. The following summary highlights the major areas to which WF&G devoted substantial time and attention during the Application Period. The full breadth of WF&G's services are reflected in WF&G's time records, copies of which are annexed hereto as Exhibits 4(A)-(D).

A. COFINA Bond Litigation
WF&G Billing Code: 00001
(Fees: \$3,422,863.77 / Hours Billed: 3,884.2)⁸

31. Pursuant to the Commonwealth-COFINA Stipulation, the Oversight Board appointed the COFINA Agent for the purpose of litigating and/or settling the Commonwealth-COFINA Dispute on behalf of COFINA, and appointed WF&G as counsel to the COFINA Agent.

32. The Commonwealth Agent subsequently commenced an adversary proceeding against the COFINA Agent, attacking COFINA's ownership of and other rights in the sales and use tax revenue that COFINA purportedly pledged to its bondholders.

33. During the Application Period, WF&G, in its capacity as lead counsel to the COFINA Agent, provided a variety of legal services covering a range of issues arising in the COFINA Agent's discharge of her duty to litigate and/or settle the Commonwealth-COFINA Dispute. Specifically, WF&G filed, responded to, and participated in oral arguments with respect to the Summary Judgment Briefs and the Certification Motion.

34. WF&G drafted and served discovery requests and reviewed documents that were produced. WF&G also took and defended certain depositions in connection with the

Commonwealth-COFINA Dispute. WF&G also worked with the COFINA Agent's experts in drafting expert reports as part of the litigation of the Commonwealth-COFINA Dispute.

35. During the Application Period, WF&G also spent time preparing for, and participating in, numerous meetings and telephone calls with COFINA's constituents regarding the litigation.

36. During the Application Period, WF&G budgeted \$5,380,000.00 in fees for the COFINA Bond Litigation matter. WF&G worked efficiently to use associates to handle the majority of the extensive work performed in connection with this matter, with oversight, input, and participation of partners as appropriate. WF&G was approximately 35% under the budgeted amount for the Application Period.

B. Case Administration
WF&G Billing Code: 00002
(Fees: \$20,776.98 / Hours Billed: 33.7)

37. During the Application Period, WF&G conducted a number of administrative activities that were necessary for the advancement of the Commonwealth-COFINA Dispute including, without limitation, preparing, maintaining, and distributing a comprehensive case calendar and summarizing recently-filed pleadings of significance.

38. These administrative activities are crucial to the COFINA Agent's efficiency and success.

39. WF&G budgeted \$160,000.00 to the Case Administration matter. Through the use of junior attorneys and paraprofessionals, WF&G was able to perform this necessary work on behalf of the COFINA Agent for significantly less than the amount budgeted.

C. COFINA Bond Negotiation
WF&G Billing Code: 00003
(Fees: \$0.00 / Hours Billed: 0.0)

40. WF&G expended no time addressing bond negotiations during the Application Period.

41. WF&G budgeted \$0.00 during the Application Period for this matter.

D. Mediation
WF&G Billing Code: 00004
(Fees: \$1,147,740.13 / Hours Billed: 1,041.0)

42. On June 23, 2017, this Court entered the *Order Appointing Mediation Team* [Dkt. No. 430] (the “**Mediation Order**”) to establish a process to attempt to cooperatively resolve issues arising in the Title III Cases, including the Commonwealth-COFINA Dispute.

43. The parties bound by the Mediation Order include the COFINA Agent, the Commonwealth Agent and certain of their respective constituents, among others. The Mediation Order requires principals with settlement authority and their respective advisors to personally attend the mediation sessions.

44. The subject matter of the mediation is confidential but generally encompasses any and all issues arising in the Title III Cases, as determined by the appointed mediation team.

45. During the Application Period, WF&G spent a significant amount of time researching and analyzing relevant issues in order to draft supplemental materials setting forth the COFINA Agent’s position as requested by the mediators. WF&G also spent time communicating and consulting with the COFINA Agent, the COFINA Agent’s other professionals, the COFINA constituents that are parties to the mediation, and the mediators, as well as participating in various mediation sessions in an attempt to reach a global settlement.

46. The time spent during the Application Period on this matter resulted in the announcement of an agreement in principle by the COFINA Agent and Commonwealth Agent on June 5, 2018.

47. During the Application Period, WF&G budgeted \$2,088,000.00 in fees for the Mediation matter. Primarily as a result of WF&G limiting the participants in the mediation, WF&G was able to perform this necessary work on behalf of the COFINA Agent relating to the mediation for less than the amount budgeted.

E. Fee Applications & Retention
WF&G Billing Code: 00005
(Fees: \$35,837.33 / Hours Billed: 64.4)

48. During the Application Period, WF&G spent time reviewing billing detail in connection with the preparation of WF&G's monthly fee statements. WF&G also spent time during the Application Period drafting its second interim fee application.

49. WF&G budgeted \$104,000.00 for the Retention and Fee Application matter. WF&G utilized associates and paraprofessionals to handle many tasks in connection with the preparation of the Monthly Fee Statements and second interim fee application and, as a result, was able to perform these tasks for less than the budgeted amount.

F. Fee Application & Retention Objections
WF&G Billing Code: 00006
(Fees: \$1,952.25 / Hours Billed: 4.2)

50. During the Application Period, WF&G reviewed the report of the fee examiner regarding its first interim fee application and worked with the fee examiner on a consensual resolution to the fees and expenses requested in its first interim fee application.

51. WF&G budgeted \$25,000.00 to respond to retention and fee application objections. WF&G was under budget for this matter as a result of its ability to reach a consensual resolution with the fee examiner.

G. Budget
WF&G Billing Code: 00007
(Fees: \$150.10 / Hours Billed: 0.4)

52. During the Application Period, WF&G drafted monthly budgets of the projected fees and expenses required to perform its duties related to its representation of the COFINA Agent.

53. WF&G budgeted \$1,242.50 during the Application Period for this matter, and spent less than the budgeted amount.

H. Non-Working Travel
WF&G Billing Code: 00008
(Fees: \$0.00 / Hours Billed: 0.0)

54. WF&G expended no time on non-working travel during the Application Period.

55. WF&G budgeted \$36,000.00 to non-working travel. WF&G did not expend any time on this matter as a result of the hearings during the Application Period being held in New York or because of its ability to participate telephonically.

EVALUATING WF&G'S SERVICES

56. Section 317 of PROMESA authorizes interim compensation of professionals and incorporates the substantive standards of section 316 of PROMESA to govern the Court's award of interim compensation. Section 316 of PROMESA provides that a court may award a professional employed by the debtor "reasonable compensation for actual, necessary services rendered," and "reimbursement for actual, necessary expenses." 48 U.S.C. § 2176(a)(1) and (2). Section 316(c) sets forth the criteria for such an award:

In determining the amount of reasonable compensation to be awarded to a professional person, the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors including—

- (1) the time spent on such services;
- (2) the rates charged for such services;
- (3) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered to the completion of, a case under this chapter;
- (4) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (5) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the restructuring field; and
- (6) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title or title 11 of the United States Code.

48 U.S.C. § 2176(c).

57. WF&G respectfully submits that the services for which it seeks compensation in this Application were necessary for and beneficial to the COFINA Agent. WF&G further submits that the services rendered to the COFINA Agent were performed efficiently and effectively. Finally, WF&G submits that the compensation requested herein is reasonable in light of the nature, extent and value of such services to the COFINA Agent and those parties impacted by her actions and that the compensation requested is based on the customary compensation charged by comparably skilled practitioners in cases other than cases under title 11.

58. Courts typically employ the “lodestar” approach to calculate awards of attorneys’ fees. See New York State Ass’n for Retarded Children, Inc. v. Casey, 711 F.2d 1136, 1140 (2d Cir. 1983); In re West End Fin. Advisors, LLC, No. 11-11152, 2012 Bankr. LEXIS 3045, at *11 (Bankr. S.D.N.Y. July 2, 2012); In re Drexel Burnham Lambert Group, Inc., 133

B.R. 13, 21-22 (Bankr. S.D.N.Y. 1991) (“In determining the reasonableness of the requested compensation under § 330, Bankruptcy Courts now utilize the lodestar method”). “The lodestar amount is calculated by multiplying the number of hours reasonably expended by the hourly rate, with the ‘strong presumption’ that the lodestar product is reasonable under § 330.” Drexel, 133 B.R. at 22 (citations omitted).

59. In determining the reasonableness of the services for which compensation is sought, the reviewing court should note that:

the appropriate perspective for determining the necessity of the activity should be prospective: hours for an activity or project should be disallowed only where a Court is convinced it is readily apparent that no reasonable attorney should have undertaken that activity or project or where the time devoted was excessive.

Id. at 23; see also In re Cenargo Int’l PLC, 294 B.R. 571, 595-96 (Bankr. S.D.N.Y. 2003) (“The Court’s benefit of ‘20/20 hindsight’ should not penalize professionals.”).

60. Moreover, courts should be mindful that professionals “must make practical judgments, often with severe time constraints, on matters of staffing, assignments, coverage of hearings and meetings, and a wide variety of similar matters.” Drexel, 133 B.R. at 23. These judgments are presumed to be made in good faith. Id.

61. WF&G has worked cooperatively with the Fee Examiner and will continue to make efforts to comply with the requests made by the Fee Examiner. WF&G has made certain adjustments to this Application as a result of comments by the Fee Examiner on WF&G’s first and second interim fee applications. For example, WF&G preemptively capped certain of its expenses pursuant to the guidelines of the Fee Examiner and voluntarily reduced some of its requested fees as the result of concerns by the Fee Examiner regarding the amount of timekeepers attending hearings.

62. Pursuant to the Commonwealth-COFINA Stipulation, WF&G is the COFINA Agent's lead counsel, and Klee, Tuchin, Bogdanoff & Stern LLP is special municipal bankruptcy counsel to the COFINA Agent. As lead counsel, WF&G is principally responsible for representing the COFINA Agent in all of the litigation and mediation relating to the Commonwealth-COFINA Dispute, and WF&G has taken the lead on drafting briefs, preparing for an presenting oral argument on the related briefs in the Commonwealth-COFINA Dispute, mediation statements, and other court filings on behalf of the COFINA Agent.

WF&G'S REQUEST FOR INTERIM COMPENSATION

63. WF&G submits that its request for interim allowance of compensation is reasonable. The services rendered by WF&G, as highlighted above, required substantial time and effort, resulting in substantial progress and success in these cases. The services rendered by WF&G during the Application Period were performed diligently and efficiently. When possible, WF&G delegated tasks to lower cost junior attorneys or, for discrete matters, to attorneys with specialized expertise in the particular task at issue. While that approach may have required intra-office conferences or involved individual attorneys who spent only a few hours on the matter at hand, the net result was enhanced cost efficiency.

64. During the Application Period, WF&G encountered a variety of challenging legal issues, often requiring substantial research and the ability to effectively negotiate with both the COFINA Agent's constituents and adversaries. WF&G brought to bear legal expertise in many areas, including bankruptcy, litigation and corporate. WF&G attorneys have rendered advice in all of these areas with skill and efficiency.

65. The professional services performed by WF&G on behalf of the COFINA Agent during the Application Period required an aggregate expenditure of 5,036.4 hours by WF&G's partners, counsel, associates and paraprofessionals. Of the aggregate time expended

during the Application Period: 1,764.8 hours were expended by partners and counsel; 2,911.1 hours were expended by associates and law clerks; and 360.5 hours were expended by paraprofessionals.

66. WF&G's hourly billing rates for attorneys working on these cases ranged from \$305 - \$1,500. For the Application Period, compensation in the amount requested results in a blended hourly billing rate for attorneys of approximately \$1,016.44 (before taking into account the 5% discount on WF&G's fees) and a total blended hourly billing rate (including paraprofessionals) of approximately \$968.60 (before taking into account the 5% discount on WF&G's fees).

67. WF&G's hourly rates and fees charged are consistent with the market rate for comparable services. As set forth in the Certification, the hourly rates and fees charged by WF&G are the same as those generally charged to, and paid by, WF&G's other clients. Indeed, unlike fees paid by most WF&G clients, due to the "holdback" of fees from prior Monthly Fee Statements, the 5% discount on the Monthly Fee Statements, and the delays inherent in the fee application process, the present value of the fees paid to WF&G by the Debtors generally is less than fees paid by other WF&G clients.

DISCUSSION OF BUDGET AND STAFFING PLAN

68. In accordance with the UST Guidelines, WF&G prepared monthly budgets and staffing plans covering the Application Period, copies of which are annexed hereto as part of Exhibit 6. In compliance with section 6(c) of the UST Guidelines, Exhibit 4 of the Application provides a summary of the hours and gross compensation billed by WF&G during the Application Period compared to the aggregate hours and compensation budgeted for each task code. These budgets were provided to and approved by the COFINA Agent.

69. The estimated amount of fees WF&G expected to incur during the Application Period was approximately \$7,797,042.50. WF&G's fees incurred during the Application Period were \$2,918,780.50 less than budgeted by WF&G from the actual fees incurred by WF&G during the Application Period before taking into consideration the 5% voluntary discount on WF&G's fees and \$3,162,693.61 after taking into consideration the 5% voluntary discount on WF&G's fees. WF&G's requested fees are approximately 38% less than the amount budgeted due to, among other things, the Court's stay of discovery and other trial deadlines following the hearing on the Summary Judgment Briefs.

70. WF&G provided necessary and beneficial services to the COFINA Agent during the course of the Application Period and took all required actions as and when the need arose. WF&G communicated and worked closely with the COFINA Agent, the COFINA Agent's professionals and similarly situated constituents throughout the Application Period related to the complex, myriad issues that arose, and the COFINA Agent approved WF&G's Monthly Fee Statements.

DISBURSEMENTS

71. WF&G incurred actual and necessary out-of-pocket expenses during the Application Period, in the amounts set forth in Exhibit 3. By this Application, WF&G respectfully requests allowance of such reimbursement in full.

72. The expenses incurred during this Application Period relate primarily to work performed by the COFINA Agent's experts in connection with the litigation of the Commonwealth-COFINA Dispute, including, without limitation, the preparation of expert reports, preparation for related depositions, and responding to the expert retained by the Commonwealth Agent. This expert work was necessary in order to advance the COFINA Agent's litigation position in the Commonwealth-COFINA Dispute. The COFINA Agent

engaged both Bradley Wendt (of Charles River Associates) and Robert H. Attmore (of The Brattle Group) as experts to support her position in the Commonwealth-COFINA Dispute. Mr. Attmore is the COFINA Agent's rebuttal expert witness in response to the report and testimony of the Commonwealth Agent's expert, Michael Malloy. Mr. Attmore's rebuttal report was provided to the Commonwealth Agent and Mr. Attmore was deposed in connection with his report. Mr. Wendt was engaged to provide an expert report and testimony on how the features, pricing, and trading of the COFINA bonds supported the COFINA Agent's position that the bonds were secured by a stream of tax proceeds owed by COFINA, which is a core issue in Commonwealth-COFINA Dispute. Once the Court stayed discovery and other trial deadlines after the hearing on the Summary Judgment Briefs, the COFINA Agent's experts were immediately instructed to not perform any additional work.

73. Additionally, in connection with preparation for both the oral arguments on the Summary Judgment Briefs and Certification Motion, WF&G expended a significant amount of time conducting research in support of the COFINA Agent's arguments. In connection with this research, WF&G identified certain Spanish-language cases that needed to be translated by a certified translator pursuant to the Local Rules, and as a result engaged the services of Divergent Language Solutions. In order to limit the expense, WF&G had Spanish speaking attorneys do an initial review of these cases to ensure relevance prior to incurring the expense of a certified translation.

74. Certain additional disbursements for which WF&G seeks reimbursement include the following:

- a. Duplicating – Charged at \$0.09 per page for black and white copies and \$0.15 per page for color copies, based upon the cost of supplies;

- b. Teleconferencing – WF&G does not charge for long distance telephone calls but does bill for the use of teleconferencing services;
- c. Computer Research Charges – WF&G's practice is to bill clients for LEXIS, Westlaw and Bloomberg Law research at actual cost, which does not include amortization for maintenance and equipment;
- d. Local Meals – WF&G's practice is to allow any attorney or paralegal working later than 8:00 p.m. to charge a working meal to the appropriate client;
- e. Local Car Service – WF&G's practice is to allow attorneys and paralegals to charge car service to the appropriate client after 9:00 p.m.;
- f. Delivery Services – WF&G's practice is to charge postal, overnight delivery and courier services at actual cost;
- g. Lodging/Travel Expenses/Airfare – WF&G's practice is to charge lodging, airfare and travel services at actual cost to the client; and

75. Though WF&G's practice is to bill clients for secretarial overtime and word processing at actual cost, WF&G, in its billing discretion, did not bill the COFINA Agent for such charges.

PROCEDURE

76. In accordance with the Interim Compensation Order, WF&G has provided: (a) notice and copies of the Application to the Notice Parties and (b) notice of this Application to all parties that have requested notice pursuant to Bankruptcy Rule 2002.⁹ WF&G submits that no other or further notice is required.

77. No previous application for the relief sought herein has been made to this or any other court.

⁹ Copies of the Application, including exhibits, are available on the Debtors' claims and noticing agents' website: <https://cases.primeclerk.com/puertorico>.

CONCLUSION

WHEREFORE, WF&G respectfully requests that this Court enter an order:

- (a) allowing interim approval of compensation to WF&G for services rendered from February 1, 2018 through May 31, 2018, inclusive, in the amount of \$4,634,348.89;
- (b) allowing interim approval of reimbursement to WF&G of actual, necessary expenses incurred in connection with the rendition of such services from February 1, 2018 through May 31, 2018, inclusive, in the amount of \$957,142.80;
- (c) approving and directing the payment of all fees and expenses incurred by WF&G that remain unpaid, including all Holdbacks; and
- (d) such other relief as may be just or proper.

² Capitalized terms used but not otherwise defined herein have the meaning ascribed to them in the Application.

Reimbursement of Expenses Filed Under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases (the “UST Guidelines”) and the Interim Compensation Order (collectively, the “Guidelines”).

3. I am a professional designated by WF&G with the responsibility for WF&G’s compliance in these cases with the Guidelines. This certification is made in connection with the Application for interim allowance of compensation for professional services and reimbursement of expenses for the Application Period in accordance with the Guidelines.

4. Pursuant to Local Rule 2016-1(a)(4) of the Local Rules: (a) I have read WF&G’s Application; (b) to the best of my knowledge, information, and belief, formed after reasonable inquiry (except as stated herein or in the Application), the fees and disbursements sought in the Application fall within the Guidelines; (c) except to the extent the fees and disbursements are prohibited by the Guidelines, the fees and disbursements sought are billed at or below the rates and in accordance with practices customarily employed by WF&G and generally accepted by its clients; and (d) the compensation and reimbursement of expenses sought in this Application are billed at rates no less favorable to the COFINA Agent than those customarily employed by WF&G.

5. I believe that the COFINA Agent has reviewed WF&G’s Monthly Fee Statements that form the basis for the Application and has not objected to the amounts requested therein. Such Monthly Fee Statements were provided to the Notice Parties as required by the Interim Compensation Order.

6. A copy of the daily time records for each of the Monthly Fee Statements, broken down by matter and listing the name of the attorney or paraprofessional, the date on which the services were performed, and the amount of time spent in performing the services has

previously been provided to the Notice Parties. The time records set forth in reasonable detail the services rendered by WF&G in these cases.

7. No public servant of the Department of Treasury is a party to or has any interest in the gains or benefits derived from the contract that is the basis of this Application. The only consideration for providing services under the contract is the payment agreed upon with the COFINA Agent. The amount of this Application is reasonable. To the best of my knowledge, Willkie Farr does not have any debts owed to the Government of Puerto Rico or its instrumentalities.

8. Included in Exhibit 4 of the Application is a list of the different matter headings under which time was recorded during the Application Period. The list includes all discrete matters within these cases during the Application Period that reasonably could have been expected to constitute a substantial portion of the fees sought during any given application period.

9. No agreement or understanding exists between WF&G and any person for a division of compensation or reimbursement received or to be received herein or in connection with these cases.

10. The following is provided in response to the request for additional information set forth in Section C.5 of the UST Guidelines.

Question: Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees or terms for services pertaining to this engagement that were provided during the application period?

Response: No, WF&G did not vary its standard or customary billing rates, fees or terms for services pertaining to this engagement, except that after negotiations with AAFAF, WF&G agreed to provide a 5% discount on its fees.

Question: If the fees sought in this fee application as compared to the fees budgeted for the time period covered by this fee application are higher by 10% or more, did you discuss the reasons for the variation with the client?

Response: For the Application Period, WF&G is not seeking fees that exceeded the overall budgets by 10% or more. In addition, the COFINA Agent was provided with WF&G's Monthly Fee Statements for her review, and did not object to the contents thereof.

Question: Have any of the professionals included in this fee application varied their hourly rate based on the geographic location of the bankruptcy case?

Response: No.

Question: Does the fee application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices? (This is limited to work involved in preparing and editing billed records that would not be compensable outside of bankruptcy and does not include reasonable fees for preparing a fee application.) If so, please quantify by hours and fees.

Response: Yes. This Application includes approximately \$15,481.20 (after accounting for the 5% discount) in fees and 29.1 hours relating to reviewing or revising WF&G's time records and preparing, reviewing or revising WF&G's invoices. These fees are reflected in billing code number 00005, titled Retention and Fee Applications.

Question: Does this fee application include time or fees for reviewing time records to redact any privileged or other confidential information?

Response: Yes, in connection with the review of the monthly time records for submission of the Monthly Fee Statements, WF&G reviewed the time detail for privileged or confidential information.

Question: Does this fee application include rate increases since retention?

Response: No.
